Proudly serving the members of The Bass Federation of Oregon

Volume 3 - Summer Edition Newsletter

Published August 24, 2009

**President's Message** – I wanted to thank you all for coming out and supporting our organization this year. We have had a good turnout so far, and would like to see more of you out there fishing with us in the future. TBF has some exciting programs being offered for multi-year membership along with savings on fishing supplies, travel, accommodations, and dining discounts. Stay tuned for more adult and youth fishing opportunities coming your way! We are working hard for you. Thank you for your support!

Stop the spread of invasive species into Oregon Waterways. Do your part to make sure your boats and trailers are clean after your trips in and outside of the state. Take a couple of extra steps to clean out livewells, inspect and wash trailer bunks and flush out the motors before traveling back home. A wash with 140-degree water can kill most invaders. 5% bleach solution cleaner will also work on most areas. For more information visit [www.boatoregon.com](http://www.boatoregon.com) or <http://www.oregon.gov/OSMB/Clean/ANS.shtml>

Conservation News –

- We are looking for projects to help with the environment, like protecting against evasive species or habitat enhancement or even to and create new fishing opportunities in your community. If you know of a project that might need some help or would like to create a new project. Please contact our Conservation Director – Brian Wheaton at 541-430-4511 or email at [brian.wheaton@yahoo.com](mailto:brian.wheaton@yahoo.com)

## Solar Bat Sunglasses – The Official Sunglasses of The Bass Federation of Oregon

Help us find some dealer leads. Solar Bat is trying to grow and needs these leads to be successful. For every lead generated and dealer established, we are helping our partner grow. Join the TBF and Solar Bat®. As we ask that you will go talk to local businesses where you buy your sporting equipment, ask them if they interested our product and would agree to allow us to contact them and send information on the products. If they agree, get all the information you can (Name, Phone number, e-mail etc.) and then you send it to me ([tlawson@solarbat.com](mailto:tlawson@solarbat.com)) and I'll go to work.

## Tournament News –

We have held 3 out of 4 of the 2009 TBF State Team Qualifiers this year with good support from our anglers. Our last event at Celillo was cancelled due to unsafe weather conditions and will be made up on Sunday, October 4, 2009 at the same location. Hopefully the winds will cooperate with us this time for a safe and good fishing day. Here are the results so far for all of the qualifiers to date with current point standings. The top 12 anglers and 1 alternate with the best 3 out of 4 finishes will determine the 2010 state team who will be traveling to Montana next spring for the Northwest Divisional to represent Oregon. We will publish the location and post any information as soon as know it from Montana state representative.
